## EDUCATION

October 2021 – October 2023

### University College London (UCL)

MA in Education and Technology | part-time | distance

I chose this program to study and research how to design, develop, and implement learning technologies according to the latest and most innovative trends and best practices at the top institution in this field. Some of the main modules include:

- Design and Use of Technologies for Education
- Researching Digital Learning
- Learning Design for Online and Blended Learning

2016 /graduated/

### CIPD Level 3 Diploma (at ICS Learn)

Learning and Development Practices | 1 year | distance

I learned about how to design, deliver, and evaluate L&D activities to improve group and individual performance, and how to align group and individual goals and performance with the organisation's overall vision.

2014 /graduated/

### University of Pecs

MA in Human Resources Counselling | 2-year-long program | distance

In this course I learned methods and techniques of strategy building, change management, personnel work and human resources management with great emphasis laid on specific aspects of organizational and social psychology.

2012 /graduated/

### University of Pecs

BA in Andragogy | 3-year-long program | Pecs

I learned about the science of understanding (theory) and supporting (practice) lifelong education of adults, with special emphasis on different learning styles, personnel psychology methods, planning training for adults.
